

Requests for Bids

Water Meter Purchase and Installation

The City of Versailles, Missouri requests bids for the purchase and installation of water meters. The proposed meters and installation project is to be funded with American Rescue Plan Act (ARPA) funds and local funds. The project requires specific meter brands that are in current use by the City of Versailles. Information provided to the City must include at a minimum:

1. The capacity and capability of the firm to supply the required meters;
2. The specialized experience and technical competence of the firm with respect to water meter installation to City specifications;
3. The past record of performance of the firm with respect to such factors as control of costs, quality of work and ability to meet schedules;
4. The firm's proximity to and familiarity with the area in which the project is located;
5. References from previous clients of related work with the firm within the past five years;
6. The firm's ability to meet all requirements regarding ARPA funding.

Brand, size and quantity specifics are listed as follows.
